

# MCISC NEWS No. 2 (a)

---

Greetings,

I know you probably weren't expecting a second newsletter in August, but we need your support.

We have applied for a Pick My Project community grant to upgrade the toilets at the Centre. For those of you who have used the toilets, I am sure you will agree with me that they are long overdue for some attention. I am advised that they are the original toilets and the Centre is now nearly 35 years old. It is important to us that everyone that comes to the Centre has access to clean, modern and compliant bathroom facilities. After all, we are often the first port of call for visitors to the area and we want to make a good impression.

Also, as there are no free, publicly available hot showers in Mornington, we are looking to include a shower, particularly for our more vulnerable and disadvantaged clients who may not otherwise have access to one.

So, if you are over 16 and reside within 50 km of the Centre then.....

## **WE NEED YOUR VOTE**

Our project is called **Clean Impressions** and can be accessed through the following link:

<https://pickmyproject.vic.gov.au/rounds/pick-my-project/ideas/clean-impressions>

You will need to register for a Pick My Project account and then vote for your three favourite project ideas in the local area. I encourage you to pick ours.

You might also like to encourage others you know, to vote for our project. If you are involved in another group or organisation, you might ask them to support our application. The more votes we get, the more likely we are to be funded.

Voting has opened and will close at 5pm on Monday 17<sup>th</sup> September, 2018.

Happy Voting!
